

Dear FNECC members,

We hope your August is going well, and you are looking forward to the start of the school year and our committee recommitting to its work with the district on improving FNE schools.

You should by now be signed up for a data briefing with DPS senior staff members Yana Smith and Will Lee-Ashley. If you haven't signed up for one of these meetings, please contact Laurie Zeller at [lz@aplusdenver.org](mailto:lz@aplusdenver.org) to let her know which meeting you will join. At these briefings, we will walk through some new information on FNE schools in a small group setting.

All dates are 6-7:30, Martin Luther King Junior Early College Community Room.
